Good afternoon,

Following up on the end of the comment period for the pending Plan Approval for the KDI Wyalusing Facility, we are following up on two questions from earlier this week:

- Confirm the KDI corporate structure:
 - We discussed with the Facility Responsible Official and confirmed that there are no changes to the corporate structure since the application submittal. Refer to Section B of the attached Compliance Review Form for the corporate structure.
- Confirm the natural gas supplier and confirm that the gas will meet “pipeline quality natural gas:”
 - Kinder Morgan’s MARC-1 and Williams Transco Liberty are both available. Natural gas transported on Kinder Morgan MARC-1 and/or Williams Transco pipelines must meet the respective pipeline’s tariffed requirements for natural gas quality and composition. Pipeline tariffs are regulated by FERC.

Please let us know if you have any questions or need any additional information as you develop your comment-response document.

Have a great weekend,
Merritt
