Re: Revised Closure Report and Cessation of Post-Closure Groundwater Quality Monitoring  
Homer City Generating Station – Temporary Ash Disposal Site  
Center and Blacklick Township  
Indiana County, Pennsylvania

Dear Mr. Day:

The Department of Environmental Protection (Department) completed its review of the Revised Closure Report and Cessation of Post Closure Groundwater Quality Monitoring for the Temporary Ash Disposal Site at Homer City Generating Station. Homer City documented the groundwater sampling results from wells around the Temporary Ash Disposal Site and requested the cessation of the monitoring, approval to plug/abandon the monitoring wells and closure certification.

The Department reviewed and approves the request.

If you have any questions, please contact Shawn Peters, P.E. of my staff at 814.332.6844. Thank you.

Sincerely,
