Subject: Sunoco Pennsylvania Pipeline Project - Floodplain/Stormwater Management Program Consistency Request

Dear Sir/Madam:

I am emailing to follow-up a letter that was sent to you last week (dated November 10, 2015) requesting information regarding the Sunoco Pennsylvania Pipeline Project's consistency with your municipality's local floodplain/stormwater regulations. We did not receive a signature confirmation from Fed Ex and would like to verify that it has been delivered. If you can please confirm receipt by responding to this email, that would be much appreciated. Thank you!

Regards,
Ailene
