Dear Sir/Madam:

Please be advised that Jackson Township goes by the Perry County Storm Water Management Plan which is believed to be in effect for this area. After studying the proposed activity, it was found that the above referenced project is consistent with the local Storm Water Management Plan.

In regard to the Flood Management Plan, the above-mentioned project is not located in the boundary of the FEMA Flood Insurance Study, and therefore this project has no effects on the Floodplain Management Program effective in the Township.
