RE: Adelpia Gateway Pipeline Project (ESG010019001)
Major Modification/ Amendment Notification- Act 14, 97 P.S. § 510-5
JMT No: 18-00672-006

Dear Ms. Kimberly Moretti:

This municipal notice, under the requirements of Act 14, 97 P.S. § 510-5, is to inform you that we are pursuing a major amendment for the ESCGP-3 issued by DEP to the Adelpia Gateway Pipeline Project (ESG010019001). The following is the relevant project information, note that the bolded sites are the only sites within your jurisdiction that will be included as part of the amendment.

Applicant Contact: Mark Valori, Adelpia Gateway, LLC

Project Location: Schuylkill River Blowdown: Spring City, PA, east of intersection of Wall St and Spring City Rd; French Creek Blowdown: Phoenixville, PA, north of intersection of Kimberton Rd and Mill Bridge Ln

Project Description: The Adelpia Gateway Pipeline is an 84-mile pipeline that runs from Martins Creek to Marcus Hook. Facility upgrades will occur to thirteen (13) sites along the pipeline: Quakertown Compressor Station, East Perkiomen Blowdown, Skippack Pike Meter Station, Perkiomen Creek Blowdown, Schuylkill River Blowdown, Cromby Blowdown, **French Creek Blowdown**, Mainline Valve 2, Paoli Pike Blowdown, Chester Creek Blowdown, Mainline Valve 1, Transco Meter Station, and Marcus Hook Compressor Station.

Revisions included in Major Amendment: This is a supplement to the Act 14 notification sent in November 2020. French Creek is located in East Pikeland Township. This site will undergo facility upgrades and the limit of disturbance (LOD) is approximately 27,868 square feet. The site will be restored to existing conditions, and as such, will not require post construction stormwater management controls.

This project was previously approved by PADEP in August 2020. An amendment is being submitted due to a change in LOD and revisions to erosion and sediment controls.

Enclosed is a complete copy of the Notice of Intent (NOI) completed by the applicant for this project as well as copies of the erosion and sediment control plan and post construction stormwater management plans.

Sincerely,

JOHNSON, MIRMIRAN & THOMPSON, INC.
