Subject: Resource Delineation Report

Dear Ms. Richman:

This letter is to confirm that NV5, LLC (NV5) conducted wetland and waterbody delineations for Phase 2A of the Tilghman and Parkway Lateral in June 2018 during the growing season. Phase 2A includes the proposed pipeline from the Delaware State line to the Transco Meter Station. No wetlands or waterbodies are crossed by Phase 2A of the Tilghman and Parkway Lateral.

Sincerely,
NV5, LLC
