### Comments on ME2 Amendment Application, Chester County

The Upper Uwchlan Township Environmental Advisory Council supports a complete and total cleanup of Marsh Creek Lake and the surrounding ecosystem, and a full restoration of all impacted areas. The Council further requests that cleanup activity be executed in a manner that minimizes impact on the community's quality of life and avoids any additional harm or damage to waterways, the local environment, and Township infrastructure.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Neil Phillips', written over the text 'Respectfully submitted,'.

Neil Phillips, Chair  
Upper Uwchlan Township Environmental Advisory Council
