Re: Technical Deficiencies
Application No. 7974SM1C12
NPDES Permit No. PA0594121
Rock Hill Quarry Operation
East Rockhill Township, Bucks County

Dear Operator:

The Department is in receipt of the June 29, 2023 request for extensions of time to respond to various items in the Department's May 31, 2023 technical deficiency letter. The Department has considered the request and will grant the extensions per the following schedule:

1. Items 1 - 6, 8-13, and to the extent possible 15: Please provide the responses and corrections no later than September 11, 2023.
2. Items 7, 14 and to the extent possible 15: Please provide the responses and corrections no later than September 30, 2024.
3. Item 16: Please provide responses to Items 1, 3, 4, 5 and 7 by September 11, 2023. Please provide responses to Items 2 and 6 no later than September 30, 2024.

Should you have any questions regarding the identified deficiencies, please contact me to discuss your concerns or to schedule a meeting. If you believe the stated deficiencies are not significant, you have the option of declining and asking the Department to make a decision based on the information you have already made available. Please keep in mind that if you ignore this request or fail to respond to all of the deficiencies according to the above schedule, your application may be denied. Also, please note that due to the application deficiencies noted above, the Permit Decision Guarantee timeframes are no longer applicable.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard E. Tallman", is written over a light blue horizontal line.

Richard E. Tallman P.E.
