RE: Rock Hill Quarry, East Rockhill Township, Bucks County, PA

Dear Acting Secretary Shirley,

We are writing to reiterate our concerns regarding Rockhill Quarry in East Rockhill Township and request an update on where the Pennsylvania Department of Environmental Protection stands on this matter. Specifically, we would like to know when a final decision on whether to reopen Rockhill Quarry will be made. Unless new information has come to light, there should be no reason your Department cannot make a determination.

As the chief environmental agency in Pennsylvania, you have a solemn responsibility to protect the health and safety of our fellow citizens. We hope whatever decision your Department makes reflects this fundamental truth.

Sincerely,

Diane M. Ellis-Marseglia, Chair

Robert J. Harvie Jr., Vice Chair

Gene DiGirolamo, Secretary
