Hello,

You are receiving this email from the Pennsylvania Department of Environmental Protection (DEP) because you have expressed interest in the Rock Hill Quarry in East Rockhill Township, Bucks County. As of October 16, 2020, mining and related activities remain under a cessation order.

This email is to notify you that PPL will be conducting work on their electrical transformers at the Rock Hill Quarry. Work will be conducted just inside the gate and is expected to take place on Thursday, October 5 or Friday, October 6. DEP staff will not be on site as this is not a mining-related activity, and PPL is not expected to drive within the site. DEP has directed Heidelberg to notify PPL of the site speed limits.

The project webpage is available at: www.dep.pa.gov/rockhillquarry. If you did not receive this email directly and you would like to be added to the mailing list, please contact RA-EPmining@pa.gov to be added.

Thank you for your continued interest in DEP's oversight of the Rock Hill Quarry.

Sincerely,

John J. Stefanko
