Re: Rock Hill Quarry Background Asbestos Sampling Plan
Surface Mining Permit No. 7974SM1
Bucks County
East Rockhill Township

Dear Mr. Gutshall:

The Department is in receipt of the letter from EarthRes Group, Inc. dated December 19, 2018 proposing a revised one-time background sampling plan (Plan) for naturally occurring asbestos (NOA) in water, aggregate stockpiles, and crusher fines at the Rock Hill Quarry. The Department hereby approves the plan pursuant to the following conditions:

1. The number of tests per aggregate pile shall be one test per 1,000 tons of material or any fraction thereof.
2. The Department reserves the right to modify or rescind the plan approval in the event of unforeseen geologic circumstances.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Menghini". The signature is written in a cursive, flowing style.
