

January 18, 2021

Mr. Gary Latsha, Inspector Supervisor  
Department of Environmental Protection  
Pottsville District Mining Office  
5 West Laurel Boulevard  
Pottsville, PA 17901

Dear Mr. Latsha,

REPA (Rockhill Environmental Preservation Alliance, Inc.) is in receipt of the Pennsylvania Department of Environmental Protection's December 22, 2020 letter regarding the Rock Hill Quarry (the "Site"), as well as East Rockhill Township January 13, 2021 letter responding to the Department's letter. REPA joins in the Township's statement that Hanson Aggregates Pennsylvania LLC failed to remove a minimum of 500 tons of minerals for commercial purposes from the Site in 2019 and 2020, and did not take appropriate actions to preserve their active permit status, and therefore has not maintained an active operation. As noted in the Township's letter, residents remain deeply concerned about the presence of asbestos at the Site.

Thank you for your attention to this matter.

Respectfully yours,

Rockhill Environmental Preservation Alliance, Inc.
