NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS that we, the Operator, as principal, and  
Travelers Casualty and Surety Company of America

(Name of Surety Company)  
with its principal place of business at One Tower Square, Hartford, CT 06183,  
(Surety Address)

licensed to do business in the Commonwealth of Pennsylvania, and approved by the Secretary of the Department of Environmental Protection, as surety, are held and firmly bound unto the Department, in the just and full sum of One Million Two Hundred Forty Eight Thousand Two Hundred Twenty and NO/100 Dollars (\$ 1,248,220.00), to the payment whereof, well and truly to be made, we bind ourselves, and our heirs, executors, administrators, assigns and successors, jointly and severally, firmly by these presents:

1. **Condition of the Obligation.** If the operator shall faithfully perform and conform to all of the applicable requirements of the following:

- (a) the Clean Streams Law;
- (b) the Surface Mining Conservation and Reclamation Act;
- (c) the Air Pollution Control Act;
- (d) the Coal Refuse Disposal Control Act;
- (e) the Dam Safety and Encroachments Act;
- (f) the Noncoal Surface Mining Conservation and Reclamation Act (applicable only to applicants for noncoal surface mining permits);
- (g) the Solid Waste Management Act.

- (h) all amendments and additions hereafter made to the Acts and all statutes enacted as substitutes or replacement for the Acts;
- (i) all rules and regulations now or hereafter promulgated under the Acts;
- (j) the terms and conditions of the Permit, and all amendments or additions thereto; and

- (k) all Department orders issued relating to Operator conduct under the Permit.

(the requirements described in (a) through (k), inclusive, immediately above, collectively called the "Law"); then this obligation shall be null and void, otherwise to be and remain in full force and effect.

2. **Amount and Duration of Bond Liability.** Liability upon this bond shall be for the amount specified herein, and that amount shall become a part of the total bond for the acreage specified herein for the permit for which the total bond applies, such liability shall apply to that acreage for the permit, including any and all prior or subsequent authorizations to mine or otherwise operate under that permit. Liability upon this bond shall continue for the duration of mining activity, including its reclamation as provided in the law, the regulations adopted thereunder and the conditions of the permit, at the operation conducted hereunder and for a period of five (5) years thereafter, unless released in whole or in part by the Department, in writing, prior thereto, as provided by the Law. Such amount released shall be a credit upon the total amount of the bond. It is hereby acknowledged and agreed by and among the parties that the liability upon this bond is a penal sum, and as such the Commonwealth retains a property interest in such surety guarantee, as provided by the law. Liability under this bond is not affected by the operator not renewing this permit.

3. **Default.** Upon the happening of any default of the provisions, conditions and obligations assumed under this bond and the declaration of a forfeiture by the Secretary, or his designee, the operator and the surety hereby authorize and empower the Attorney General of the Commonwealth of Pennsylvania, or any other attorney of any court of record in Pennsylvania or elsewhere, by him deputized for the purpose, to appear for and confess judgment against the operator and/or the surety, their heirs, executors, administrators, successors or assigns, in favor of the Commonwealth for any sum or sums of money which may be due hereunder, with or without defalcation or declaration filed, with interest and cost, with release of errors, without stay of execution, and with ten percent (10%) added for collection fees, and for the exercise of this power, this instrument, or a copy thereof, any rule of court to the contrary notwithstanding, shall be full warrant and authority. This power shall be inexhaustible. The operator and surety further agree that execution may issue upon judgment so confessed for the full amount of money and accrued interest that is owing from the operator and/or the surety to the Commonwealth, with costs and collection fee, upon filing information in writing in the court where such judgment shall be entered.

4. **Events Not Affecting Bond Liability.** The operator and the surety agree that their liability hereunder shall not be impaired or affected by (1) any renewal or extension of the time for performance of any of the provisions, conditions or obligations upon which this bond is based; or (2) any forbearance or delay in declaring this bond to be forfeit or in enforcing payment on this bond.

5. **Surety Right to Cover.** The corporate surety shall have the option of reclaiming the forfeited site, in lieu of paying the bond amount to the Department, upon the consent and approval of the Department.

6. **Additional Bond.** The Department reserves the right to require additional bonding from the operator, as provided by the Law, which shall be a supplement to and augment the bond liability provided herein.

7. **Remedies.** Nothing herein shall limit or preclude the Department from seeking any remedy, in addition to the forfeiture of this bond, which may be authorized or provided by law.
