Subject: Westmoreland Sanitary Landfill, LLC – Sanitary Landfill
Consent Order and Agreement Executed November 1, 2023
Pond C Improvements
Rostraver Township, Westmoreland County, Pennsylvania.

Westmoreland Sanitary Landfill, LLC (WSL) is providing this Letter to the Department to document the completion of the Pond C Improvements required by Corrective Action Paragraph 5b of the Consent Order and Agreement executed on November 1, 2023

As outlined in the Revised Corrective Action Plan dated February 15, 2021 (Feb 2021 CAP-R), Pond C improvements were to include cleaning out sediment, replacing the existing riser structure, re-establishing the pond base and berm grades and inspecting / repairing the outlet channels as needed. WSL hired Alex E. Paris Contracting Company, Inc. (Alex Paris) of Atlasburg, PA to perform the majority of the Pond C improvements. WSL assisted with material supply and pouring the concrete footer for the new riser structure.

A photo log is included with this letter to show a before photograph of the pond as well as a series of photographs of the completed work on December 28, 2023. In addition to the work that has been completed, WSL will be revegetating all disturbed areas within the Pond C work area. This work is anticipated to occur over the next few weeks.

Should you have any questions or need any additional information, please do not hesitate to contact Michael Zucatti of Noble Environmental at (717) 448-5613 or Brian Stewart of Noble Environmental at (412) 576-2236.

Sincerely,

A handwritten signature in black ink, appearing to read "MEZ", written in a cursive style.

Michael E. Zucatti, P.E.
Director of Engineering

A handwritten signature in blue ink, appearing to read "BES", written in a cursive style.

Brian E. Stewart, P.E.
VP of Engineering
