PART IV - PROJECT SUSTAINABILITY PLAN

As outlined by Act 175 of 2002, Pennsylvania communities are to make their recycling programs more financially self-sufficient. The following questions are meant to foster an overall Sustainability Plan for your recycling program and are not intended to be the whole of the plan itself. In completing this section of the grant application and your Sustainability Plan, refer to the Department's technical report on <u>Building Financially Sustainable Recycling Programs</u>.

The Department will utilize the information given below in evaluating and prioritizing your grant proposal. Failure to complete this section will result in the denial of your grant request.

1a. What are the current annual costs of your recycling and waste programs? These costs can include, but are not limited to: personnel; fuel; equipment purchase; maintenance; depreciation; education; and contractual obligations. •
