To whom it may concern,

I am writing to let you know that I am requesting certification for Schrack Farms. Schrack Farms' Certification number was/is 243. His current certification expired on September 30, 2020.

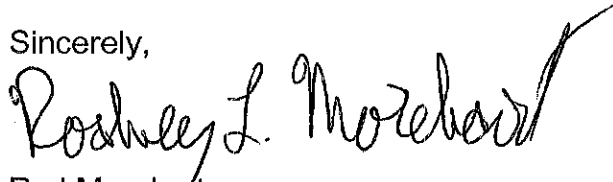

The current Schrack Farms certification includes Tracts 335, 343, 462, 463, 464, 479, 548, 555, 566, 567, 570, 579, 583, 588, 638, 639, 641, 648, 649, 657, 660, 662, 664, 665, 666, 675, 693, 10069, 10188, 10216, 10222, 10258, 10346, 10390, 10455, 10484, 10491, 10492, 10497 and 10505.

The following information is included for certification review:

1. An FSA map showing all fields that are eligible to generate credits
2. A soil map showing the soil types of the fields that are eligible to generate credits
3. A topographic map with a latitude/longitude coordinate based on the center of the proposed Prevention Reduction Activity (PRA).
4. RUSLE2 PDF for all new fields that could generate credits
5. Spreadsheets covering all of the new fields that can generate credits based on combining fields with the same soil types and PRAs
6. Spreadsheet summary
7. BMP summary

If you have any questions please feel free to contact me by phone at 570-329-1619 or by email at rmorehart@lyco.org.

Sincerely,

A handwritten signature in black ink that reads "Rodney L. Morehart". The signature is written in a cursive style with a long, sweeping flourish at the end of the name.

Rod Morehart
Chesapeake Bay Technician
Lycoming County Conservation District
