

Summary / Assumptions – Small Purchase

Frank Blake is the landowner

Elwood Botter is the operator

Elwood Botter has a gully erosion issue in a crop field

The county conservation district has a conservation plan implementation grant

Total cost share available is \$11,000.00

CBP-7 is used for diversion and waterway

Elwood Botter chooses low bidder for Diversion, but 2nd low bidder for waterway. Justification was using the same contractor.

Cost share for the waterway is based off the low bid

CBP-8 was signed for the bid prices (not the cost share prices)

CBP-5 is paid for invoices received – Notice that only 261 feet of diversion were installed, rather than the 271 feet that were planned.
